

Woodville High School is an innovative and creative learning community, committed to quality in education and success for all. As a member of the local and global community, Woodville High School provides rich, world class learning opportunities in a culturally diverse environment that values well-being for all.

Indicators of achieving our vision:

- Respectful relationships
- Positive student and staff well-being
- Independent learning and peer responsibility is fostered
- High levels of engagement in learning
- Student-centred teaching which cater for all students' learning styles
- Acknowledgement, recognition and valuing of the work of students and staff
- Successful pathway options for all school leavers
- Caregiver/staff partnerships for successful student outcomes
- Dynamic community, feeder school and international connections
- ICT-rich learning environment.
